21st July 2017.

Thank you so much to all the fantastic patients of Modbury for your incredible generosity over the last few weeks.

I have been overwhelmed by the kindness both in terms of warm words and very generous gifts that have been given to me. They send me on my way with a real boost to my confidence as a GP.

I will miss Modbury Health Centre, all the staff & patients very much & wish you all the best health & happiness in the years to come.

All the best.

Angus McMyn.
